Welcome to the conference Rencontres du Vietnam on Soft Matter, Fluids, Interfaces. The conference will take place at the International Centre for Interdisciplinary Science Education (ICISE), a unique science and education institution located in the coastal city of Quy Nhon, Vietnam. ICISE was built with an ambitious objective focusing on developing science and education, as well as bringing opportunities to accelerate knowledge of young scientists by providing a platform for exchanging ideas with colleagues from other parts of the world.

The creation of the International Centre for Interdisciplinary Science Education (ICISE) in the city of Quy Nhon (Central Vietnam) has the ambitious objective to focus on developing Science and Education by fostering exchanges between Asia-Pacific scientists and colleagues from other parts of the world.

IMPORTANT DATES

December 20, 2023

Call for papers.

Deadline for standard registration.

June 09, 2024

On-site registration, welcome cocktail.

June 10 - 14, 2024

Conference sessions

MAIN TOPICS

- Active, Biological, Living Matter
- Self-assembly
- Granular Materials
- Multiphase and Complex Flows
- Interfaces
- Nano-Microscales Surface Modifications

SCIENTIFIC PROGRAM COMMITTEE

Jean-François Joanny (Collège de France)

Carles Blanch (Institut Curie)

Jean Tran Thanh Van (LPT Orsay)

Penger Tong (HKUST)

Jasna Brujic (NYU)

Hao Van Bui (Phenikaa University)

Tuan Tran (NTU, Singapore)

Hamid Kellay (University of Bordeaux)

Cristina Marchetti (UCSB)

Masao Doi (UCAS)

Chao Sun (Tsinghua)

Hsuan Yi Chen (National Central University, Taiwan)
